EDUCATION

Central Plains University

Bachelor of Arts in Computer Science

Minor in Business Administration

Boulder, CO

GPA: 3.75 / 4.0

August 2022 – May 2026

- Relevant Coursework: Full-Stack Development, Object-Oriented Design, Database Management

EXPERIENCE

Software Developer Intern

HealthMetrics

May 2025 – August 2025

Denver, CO

- Contributed to a patient portal web application using Angular and a Go backend, implementing features for appointment scheduling.
- Developed GraphQL APIs to efficiently query and mutate data, replacing legacy REST endpoints.
- Participated in an Agile team, engaging in daily stand-ups, sprint planning, and retrospectives to deliver features iteratively.

Freelance Web Developer

Self-Employed

June 2024 – January 2025

Remote

- Designed and built responsive websites for 3 small business clients using HTML, CSS, JavaScript, and WordPress.

PROJECTS

BookWorm | *A social book cataloging app*

December 2024

- Built a full-stack application with a Vue.js frontend and a Django backend for users to track their reading lists and share reviews.
- Utilized the Google Books API to fetch book data and populate the application's database.
